

GRIDIRON CLUB Desert Mountain High School Wolves Football

Dear Friends, Family, and Community Partners,

We need your support!

The hard-working athletes who make up the Desert Mountain football team are young men who practice and prepare twelve months of the year for 10 regular season games with the determination and heart to go to the playoffs and then the state championship. Individually, they have made a commitment to their coaches and each other, to the student body and their community to do everything it takes to reach their goals. We are writing to ask for your support of these dedicated competitors.

As expenses continue to increase, the Desert Mountain Gridiron Club coordinates several fundraisers to help offset costs to execute a successful football season. Fundraising efforts cover the costs of helmets, pads, uniforms, equipment for the weight room, player and coach clinics and trainings, field maintenance and financial aid, to name just a few expenses.

Our first fundraiser for the upcoming season will be the *7th Annual DMHS Casino Night and Silent Auction* held on Saturday, August 11th, 2018 at Scottsdale Gymnastics Special Event Building located at 9445 E Doubletree Ranch Rd. The silent auction will include a variety of packages including golf foursomes, dining certificates, wine baskets, family outings, sporting & event tickets and adventure packages. The success of the event and the fundraising efforts will increase greatly with support from community businesses. We sincerely hope you will consider making a donation to support our community's team.

As an auction donor, you will be recognized at the event on auction bid sheets, signage, and be listed as a donor on The Gridiron website. You will also receive a wolves community partner window cling, an invitation to attend the fundraiser, as well as a pair of tickets to attend a Varsity home game. Please complete the attached donation form so we can be sure to recognize your donation accurately. Should you have any questions please contact, Jodele Plunkett at jodeleplunkett@q.com, 480-229-7080.

It has been said, that football is the ultimate sport because it teaches valuable lessons in teamwork, commitment and leadership. We greatly appreciate your consideration to support the *DMHS Casino Night and Silent Auction* and the Desert Mountain Gridiron in support of the Desert Mountain Wolves Football team.

“It’s a great day to be a wolf”

With deepest gratitude,
DMHS Gridiron Club
